		3.1 Scaling full mouth	500-800	
		3.2 Root planning (per tooth)	600-1,500	
		3.3 Open flap debridement (per quadrant)	2,000-6,000	
		3.4 Crown lengthening	3,000-4,000	
		3.5 Gingiva/ connective tissue graft	3,000-6,000	
		3.6 Bone graft operation (material charges are not included)	4,000-6,000	
		4. Surgery		
		4.1 Simple extraction	500-600	
		4.2 Complicated extraction	1,000-1,500	
		4.3 Wisdom tooth extraction soft tissue impaction	1,000-1,500	
		4.4 Wisdom tooth extraction with partial bony impaction	2,500-3,000	
		4.5 Wisdom tooth extraction with complete bony impaction	3,500-4,000	
		4.6 Biopsy	600-1,000	
		4.7 Irrigate/remove surgical stitches	200	
		4.8 Intra or extraoral pus drainage under LA	500-1,000	
		4.9 Ostectomy/Torectomy	3,000-3,500	
		- Upper arch	2,500-3,000	
		- Lower arch		
		5. Endodontic procedure		
		5.1 Root canal treatment	3,500	
		- Incisor or canine	4,000-5,000	
		- Premolar teeth	7,000-9,000	
		- Molar teeth		
		5.2 Remove root canal material for retreatment	500-1,500	
		5.3 emergency pulp removal	600	
		- Incisor or canine	700	
		- Premolar teeth	800	
		- Molar teeth		
		5.4 Retrograde filling	2,500-3,500	
		- Incisor or canine	3,500-4,500	
		- Premolar teeth	4,500-5,500	
		- Molar teeth		
		5.5 Apexification /Recalcification	600	
		5.6 Root canal irrigation and temporary filling	240-400	
		6. Prosthetic procedure		
		6.1 complete denture with acrylic base	16,000	
		6.2 complete denture upper or lower with acrylic base	8,000	
		6.3 complete denture upper or lower with metal base	8,000	
		6.4 Removable partial denture (Metal base)	6,000	
		- Metal base	300	
		- Charge per tooth replacement	1,000	
		- If function impression is needed. Charge per section		
		6.5 Acrylic partial denture	1,800	
		- one tooth placement	300	
		- add up charge per the next tooth replacement	200	
		- add up charge per occlusal rest	200	
		- add up charge per retentive arm	1,000	
		- if function impression is needed. Charge per section		
		6.6 Crown (Additional fee depending on material types) per unit	8,000	
		6.7 Bridge (Additional fee depending on material types) per unit	8,000	
		6.8 Post and Core	2,500-4,000	
		6.9 Repaired Acrylic partial denture(Additional fee depending on a number of tooth replacements)	500-1,800	
		7. Pedodontic procedure		
		7.1 Pulpotomy	600-800	
		7.2 Pulp pectomy	1,000	
		- Incisor or canine	1,200-1,500	
		- Molar teeth		
		7.3 Sealant (per tooth)	250-300	
		- Primary tooth	300-350	
		- Permanent tooth		
		7.4 Fluoride application	300-350	
		7.5 Space maintainer	1,500	
		- Band and loop	2,000	
		- Lingual holding arch	2,000	
		- Nance's appliance
